Service life depends on the frequency of use and the wear rate under the given conditions. Improper storage and improper maintenance and handling will reduce the service life. The warranty period is 24 months. In no event may the warranty period be confused with a product's service life. Under intense use, the service life may be shorter than the warranty period.

The product contains no substances at concentrations that are known or suspected to have adverse effects on sanitation or a user's health. However, skin irritation may occur with sensitive persons; in this case, the discontinue use of the clothing. Avoid fire and intense heat sources. There are no designated accessories or spare parts for this clothing. When a garment is not being worn, it should be stored in dry and well ventilated places out of direct sunlight. In order to transport, the original packaging should be used. Protect from moisture and extreme temperatures. After use, dispose of in an environmentally friendly manner.
