200 g/m²

SIZE

S-3XL

DESCRIPTION

This set of womens functional long-sleeved t-shirt and men's functional trousers is ideal as the bottom layer for various activities, and is designed as seamless. Seamless technology minimises the number of seams and prevents irritation of the skin. This functional long-sleeved t-shirt and functional trousers provide excellent thermoregulation, with the inner side absorbing moisture perfectly and the outer layer providing thermal insulation; they are flexible, quick-drying, adapt perfectly to every movement, and feature a state-of-the-art cut for maximum comfort, while special knitted functional zones and textures offer ideal ventilation for the skin, making them suitable for any strenuous sports.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements
PPE of simple design against the minimum risks that may be quickly and safety recognised by the user.

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics properties of the product by Ardon Safety s.r.o. on 20 January 2021.

NUMBER OF PIECES IN CARTON	20 pcs
CARTON WEIGHT	20 kg
CARTON SIZE	0,085 m ³
UNIT PACKAGING	1 pc

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
