Description: A sweatshirt adaptable to motion in a mélange design, made from the special ARDON® BREEFFIDRY material that guarantees comfort thanks to its excellent breathability, abrasion resistance and full sweat wicking. The functional ARDON® BREEFFIDRY material retains heat while eliminating moisture. Thanks to its quick drying properties, it can be used in adverse weather conditions. The inner side of the sweatshirt is made from a very pleasant and soft material. Two spacious hidden pockets, a designer chest pocket, a practical cut with a zipper and a chin cover, the stand-up collar keeps your neck warm, a sophisticated cut with shaped sleeves.

This personal protective equipment is in conformity with these harmonized European Standards:

ČSN EN ISO 13688:2013 : Protective clothes - General requirements.

PPE of the simple construction against minimal risk, which can be recognized by the user early and safely.

Self certification has been performed on the base of technical documentation of the PPE and practical exams of the ergonomic features of the PPE by the Ardon Safety s.r.o. company, dated 20th August 2021.
